<tr>
<td><strong>Question 1</strong> Please clarify the date and time of the teleconference for this solicitation.</td>
<td>Wednesday, 3/18/20  11 am 1-866-528-2256  Access Code  7435082  There will be no physical group meeting.  PARTICIPANTS MUST HAVE A COPY OF RFQ 4020000116 WITH THEM DURING THE CALL.</td>
</tr>
<tr>
<td><strong>Q2</strong> Along with the teleconference that’ll take place, is the meeting also going to be live streamed?</td>
<td>The meeting will not be live streamed, but we will audio record the call if someone needs a replay.</td>
</tr>
<tr>
<td><strong>Q3</strong> Will the following services such as General Engineering Services, Surveying, etc. be needed on a prime’s team for this solicitation?</td>
<td>General engineering services and surveying capabilities should be included on a team roster.</td>
</tr>
<tr>
<td><strong>Q4</strong> If a sub is on the team for this solicitation/contract are they precluded from following work; PMC, Corridor GEC, section teams as a prime or a sub, etc.?</td>
<td>No, they will be eligible to participate in other METRO projects.</td>
</tr>
<tr>
<td><strong>Q5</strong> Who are the potential primes for this project?</td>
<td>We can provide the names of nine firms who submitted proposals to a similar solicitation. Hatch Associates Consultants  Atkins North America, Inc.  AECOM Technical Services, Inc.  Consor Engineers, LLC. ARUP Texas, Inc.  STV, Inc.  Parsons Transportation Group, Inc.  Hernan Escalante Jr.  ALJ Design Group</td>
</tr>
<tr>
<td><strong>Q6</strong> To what degree would a subconsultant’s participation in a selected team’s work effort under this Contract then restrict that same subconsultant from participating on another related METRO project whether as a Prime Consultant or as a Subconsultant?</td>
<td>A subcontractor may participate in a single solicitation on no more than 4 proposals submitted by primes. A proposer cannot respond as a Prime and as a subconsultant on the same solicitation. There are no restrictions to a firm participating as either a prime or subcontractor on other solicitations/contracts.</td>
</tr>
<tr>
<td><strong>Q7</strong> The following design tasks are not specifically listed in this RFQ’s scope of services:  • Station Planning and Location Studies  • Urban Design Services or Urban Design Criteria  Are these scopes of services part of this RFQ or will METRO issue future RFQs for these services?</td>
<td>The design tasks noted will be solicited separately and are not included in the scope for this solicitation.</td>
</tr>
<tr>
<td><strong>Q8</strong> Can you confirm the intent of having the team “be directed by a Licensed Professional Engineer(s), State of Texas, Civil Engineer or other professionals as appropriate”: Is the Project Manager required to be a Licensed Professional Engineer in the State of Texas if other members of the team are Licensed Professional Engineers in the State of Texas?</td>
<td>A Project Manager with a PE license is not required, but preferred.</td>
