5 SMALL BUSINESS AND DISADVANTAGED BUSINESS ENTERPRISE PROGRAMS

A. The Metropolitan Transit Authority of Harris County, Texas (METRO) has implemented a Small Business Enterprise Program, hereinafter referred to as the Program, for small businesses attempting to provide goods and/or services as prime Contractors to METRO or as subcontractors to other prime Contractors to METRO. It is the policy of METRO to promote equal opportunity and non-discrimination in all of its procurement matters in accordance with state and federal law. The Program seeks to provide METRO-certified Small Businesses (SBE) and Texas Unified Certification Program (TUCP)-certified Disadvantaged Businesses Enterprises (DBE) a full and fair opportunity to participate in METRO projects through race-gender neutral means. The Small Business Enterprise Program shall not be used to discriminate against any person or company or group of persons or companies because of race, color, national origin, religion, sex (including gender identity and sexual orientation), disability, or age. Each bidder, proposer, Contractor and subcontractor shall comply with this non-discrimination requirement.

B. The Small Business Enterprise Program is a separate program from METRO’s Disadvantaged Business Enterprise (DBE) Program which is administered by the federal government and applies to federally funded projects. METRO’s Small Business and Disadvantaged Business Enterprise Programs can be found at https://www.ridemetro.org/Pages/SB-FormsTemplates.aspx

C. Nothing in the Small Business or Disadvantaged Business Enterprise Programs should be construed to give a bidder or proposer a property interest in a Submittal or contract prior to the Board of Directors’ award of the contract and compliance
with all statutory and legal requirements.

D. METRO has established a Small Business Participation goal for this solicitation. The Small Business Participation goal may be satisfied by utilizing METRO-certified Small Businesses or TUCP-certified Disadvantaged business enterprises or a combination of both. All references to Small Businesses include Disadvantaged Businesses. The Small Business Participation goal is:

35%

RESPONDERS WHO FAIL TO COMMIT TO THE SMALL BUSINESS CONTRACT GOAL WILL BE DEEMED NONRESPONSIVE AND NO FURTHER CONSIDERATION WILL BE GIVEN TO THEIR SUBMISSION.

E. Small Business Goal Commitment for a Small Business Participation goal listed in above item D

1. If a Small Business Participation goal is established in item D above, bidders/proposers who fail to commit to the Small Business Participation goal will be deemed nonresponsive and no further consideration will be given to their Submittal.

2. Non-certified Small Business or TUCP Disadvantaged Business Enterprise primes must subcontract at a minimum the Small Business Participation goal percentage to certified Small Business firms, TUCP Disadvantaged Business Enterprise firms or a combination of both in order to satisfy the Small Business Participation goal requirement.

3. The performance of a METRO-certified Small Business or TUCP Disadvantaged Business Enterprise prime may satisfy the Small Business Participation goal requirement if:

   a) The SBE/DBE prime self-performs at a minimum the Small Business Participation goal percentage

      Example: Small Business Participation goal is 35%
      The SBE/DBE prime self-performs 35%
      The prime has satisfied the 35% Small Business Participation goal

   b) The SBE/DBE prime combined with a SBE/DBE subcontractor performs at a minimum the Small Business Participation goal percentage

      Example: Small Business Participation goal is 40%
      The SBE/DBE prime self-performs 35%
      SBE/DBE subcontractor performs 5%
      The prime has satisfied the 40% Small Business Participation goal

   c) The SBE/DBE prime cannot self-perform 100% of the contract. The prime must subcontract to SBE/DBEs and/or non-SBE/DBEs at a minimum the Small Business Participation goal percentage

      Example: Small Business Participation goal is 35%
      SBE/DBE prime self-performs 65%
      Subcontractors (certified and/or non-certified) perform 35%
      The prime has satisfied the 35% Small Business Participation goal

   d) Joint venture Contractors with SBE/DBE partners will count towards the Small Business Participation goal only for the percentage of the SBE/DBE partner.

      Example: Joint venture
      1 - Non-SBE/DBE partner @ 50% of joint venture
      1 - SBE/DBE partner @ 50% of joint venture
      Joint venturer is performing 30% of the contract = 15% Small Business participation

   e) Joint venturers and their partners are prohibited from submitting as a prime and as a subcontractor on the same submission.

      Example: Joint venturer submits as a prime
      Joint venture partners are listed as subcontractors on the same submission
      Joint venturers and partners are prohibited from submitting in this way

   f) All prime Contractors, whether SBE/DBE or non-SBE/DBE, must always self-perform at a minimum thirty percent (30%) of the contract regardless of the Small Business Participation goal percentage

   g) Bidders/proposers are prohibited from multiple submissions of Submittals, i.e. submitting as a prime Contractor in one submission and as a subcontractor in another submission for the same project. Such multiple submissions may result in the disqualification of all submissions where the bidder/proposer is listed.
h) Agreements between a bidder/proposer and a Small Business Enterprise or Disadvantaged Business Enterprise in which the SBE or DBE promises not to provide subcontracting quotations to other bidders/proposers shall be prohibited.

i) SBEs and DBEs are limited to submitting as subcontractors on only four (4) Submittals for the same project. Failure to adhere to this four (4) Submittal limit may result in the disqualification of the offending SBE or DBE from all Submittals.

F. Required Small Business Documents

1. Contractor Utilization Plan

a) IT IS MANDATORY that every bidder or proposer submit a Contractor's Utilization Plan (the 'Plan') when submitting a Submittal or response to request for qualifications, whether or not a Small Business Participation goal has been established.

Only percentages of Contract Work Effort are to be indicated when responding to RFQ/RFP submissions, as pricing is determined later in the procurement process.

c) If applicable, the Plan should set forth how the Small Business Participation goal for the proposed project is to be met. The Plan will be used by METRO as a factor in evaluating whether a bidder/proposer has complied with the requirements of the Program to satisfy the Small Business Participation goal.

d) If the Small Business participation submitted by the bidder/proposer does not meet an established Small Business Participation goal, if any, the bidder/proposer will be deemed non-responsive and will not be considered for contract award.

e) Failure to submit a complete Plan for a contract with a Small Business Participation goal will result in Submittal being deemed non-responsive and will not be considered for contract award.

f) When a Small Business Participation goal has been established, the Small Business Participation goal, the Contractor shall adhere to the Plan submitted unless a waiver is received from the Office of Small Business. Any changes in the Plan regarding the proposed use of certified subcontractors in discharging the contract duties must be approved by the Office of Small Business.    f. Certify that it is not on the U.S. General Services Administration's 'Lists of Parties Excluded from Federal Procurement or Non-Procurement Programs.' Signing and submitting the proposal is so certifying;
   g. Be otherwise qualified and eligible to receive an award under applicable laws and regulations.

5. A proposer may be requested to submit written evidence verifying that it meets the minimum criteria necessary to be determined a responsible proposer. Refusal to provide requested information will result in the proposer being declared non-responsive, and the proposal will be rejected.

F. PREPARATION OF STATEMENTS OF QUALIFICATIONS (SOQs)

In an effort to promote greater use of recycled and environmentally preferable products and to minimize waste, all Submittals should comply with the following:

1. All Submittals and copies should be printed on recycled paper with a minimum post-consumer content of thirty percent (30%) or on tree-free paper (i.e., paper made from raw materials other than trees, such as kenaf).

2. Unless absolutely necessary, all Submittals and copies should minimize or eliminate the use of non-recyclable or non-reusable materials, such as plastic report covers, plastic dividers, vinyl sleeves and bindings.

3. To further reduce the use of materials not essential to Submittals, METRO encourages Responders to forgo the use of three-ring binders or glued materials when assembling the originals and copies of the SOQ, Standard Form 330 Parts I and II, and other required information. Instead, METRO prefers and appreciates the use of paper clips, binder clips, staples, rubber bands, and other materials containing recycled content, such as folders, paper clips, discs or thumb drives, envelopes, boxes, etc. METRO also appreciates receiving Submittals assembled in formats that allow for easy removal and recycling of paper and other materials.

4. Unnecessary samples, attachments or documents not specifically asked for should not be submitted with a Submittal.

G. PROHIBITION ON LOBBYING

No Responder shall, directly or indirectly, engage in any conduct (other than the submission of the SOQ or other prescribed submissions and/or presentations before the Evaluation or Selection Committees) to influence any employee of METRO or any member of the Metropolitan Transit Authority Board of Directors concerning the award of a contract as a result of this Solicitation. Violation of this prohibition may result in disqualification of the Bidder or Proposer from further participation in the solicitation for the services or goods sought herein or from participation in future METRO solicitations or contracts. The communication blackout period shall commence from the issue of a solicitation through contract award. The Contract Administrator is the only METRO representative authorized to
communicate with firms or their representatives during the blackout period.

H. PROTESTS

1. Any protest of the Request for Qualifications shall be submitted for resolution to the Chief Procurement Officer. Such protest shall be in writing and shall be supported by the information set forth in Chapter 12 of METRO's Procurement Manual to enable the protest to be considered. A protest will not be considered if it is insufficiently supported or it is not received within the time limits specified herein.

2. A protest based upon terms, conditions or form of a proposed procurement action prior to submission of qualifications, shall be submitted so that it is received by the Chief Procurement Officer no later than five (5) calendar days prior to the specified date for submission of qualifications.

3. For a protest concerning award decision, including evaluations, the initial protest must be received by the Chief Procurement Officer not later than five (5) calendar days after the interested party knows, or through exercise of reasonable diligence should have known, whichever is earlier, of the grounds for the protest.

4. Each protest will be processed in accordance with METRO's Protest Procedures located in Chapter 12 of METRO's Procurement Manual. A copy of the procedures will be provided to the protester upon written request to METRO's Chief Procurement Officer.

5. A written final determination on any protest will be rendered by METRO's President & Chief Executive Officer and will be provided to the protester as soon as practicable.

6. The protestor must exhaust its administrative remedies by pursuing METRO's protest procedures to completion prior to appealing METRO's decision to the FTA.

7. Federal Transit Administration (FTA) Circular 4220.1F, Paragraph 7L, addresses bid protests. A copy of this Paragraph will be provided to the protester upon written request to METRO. Review of a protest by FTA will be limited to a grantee's failure to have or follow its written protest procedures or its failure to review a complaint or protest or violation of federal law or regulation. An appeal to FTA must be received by the cognizant FTA regional or Headquarters Office within five (5) working days of the date the protester learned or should have learned of any adverse decision by METRO, or other basis of appeal to the FTA. Violations of a specific federal law or regulation will be handled by the complaint process stated with that law or regulation. Alleged violations on other grounds are under the jurisdiction of the appropriate state or local administrative or judicial authorities.

I. RESTRICTIONS ON LOBBYING

Contractors who apply or propose for an award of $100,000 or more shall file the certification required by 49 C.F.R. part 20, ‘New Restrictions on Lobbying.’ Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. 4  EXHIBIT D SMALL BUSINESS FORMS

Form 1  CONTRACTOR UTILIZATION PLAN FORM

INSTRUCTIONS TO COMPLETING CONTRACTOR UTILIZATION PLAN FORM

The Contractor Utilization Plan identifies the bidder’s/proposer’s (prime) team of certified and non-certified subcontractors and suppliers. It is also used to determine the percent (%) of Small Business (SB) participation on the team. All team members must be listed on the form regardless of certification status. Make additional copies of the appropriate Section(s) of the form, if needed, to include all team members.

Information applicable to all members of the team in Sections 1, 2, 3 & 4 of the CUP:

- Name, tax identification number, business address and contact information of prime, subcontractors and suppliers.
- Brief description of work to be performed by prime or subcontractors; or products to be provided by the suppliers.
- Certification status of prime, subcontractor(s) and supplier(s). Include a copy of the METRO SBE certificate or a DBE certificate for any applicable members of the team. Be sure to reference the solicitation regarding the types of SB certifications that METRO accepts or visit the METRO website [www.ridemetro.org](http://www.ridemetro.org) and go to the Small Business link.
- Percentages of the total contract value to be performed by the prime and each subcontractor and supplier. (Note: The total of all team members must equal 100%)
- Price is REQUIRED on this form when responding to “Invitations for Bid” (IFB) solicitations. Price is only required on the FINAL CUP for “Requests for Qualifications” (RFQ) or “Requests for Proposals” (RFP) solicitations.

Section 1 – Prime Contractor: This Section is only for the bidder’s/proposer’s information.

Section 2 – Subcontractors: This Section is used to list all certified and non-certified subcontractors.

Section 3 – Suppliers – Manufacturers (100%): In this section, list all certified and non-certified suppliers that manufacturer or produce the product they are providing.

- 100% of each certified supplier’s contract value (or percentage) will count towards the SB goal.

Section 4 – Suppliers – Dealers (60%): In this section, list all certified and non-certified suppliers that purchase their products from a wholesaler.

- 60% of each certified supplier’s contract value (or percentage) will count towards the SB goal.

- Note that the “Percent of Contract Effort” in this section is divided into 2 parts: “100%” and “60%”. BOTH PERCENTAGES MUST BE SPECIFIED IF A SUPPLIER IS CERTIFIED.

- The “100%” represents the total value of the P.O. (or Contract) as a percentage of the total value of the bid. For example: If the total bid is $1,000,000 and the P.O. value is $100,000, then the 100% value = 10% and the 60% value = 6%. In this example, only 6% ($60,000) will be counted towards the SB goal. - Reminder: In the case of an RFP or RFQ, only specify the percentages.

Summary Totals & SBE/DBE Participation Section

- In this section, under “TOTAL AMOUNT OF BID/PROPOSAL”, specify the dollar amounts and the corresponding percentages relative to the total proposal amount from Sections 1, 2, 3, & 4. (Important: The total dollars must match your proposal amount and the corresponding percentages must total to 100%).

- Under “% SBE/DBE Participation” specify the percent of SB participation per Sections 1,2,3 & 4. See IFB example below:

EXAMPLE ONLY SCENARIO: The Prime is not certified, and all of the subcontractors and suppliers are certified firms. The Small Business goal is 35%.
